

LANGUAGE WEEK OF 3HSD TO LONDON

On March 11th, 2016 our journey to London started; our class 3HSD was accompanied by our teachers Ms. Haidn and Ms. Plattner. When we arrived in London we were picked up by our host families. On Saturday we took a ride on the London Eye, where we enjoyed the beautiful view. Afterwards we saw the Tate Modern. On the way we also watched lots of street artists. On Sunday we went to London Bridge, then to Tower Bridge and to the Tower. The Crown Jewels were really amazing.

On Monday school started. We always had school in the morning and then did some sightseeing in the afternoon. On Monday we went shopping on Oxford Street, on Tuesday we went by boat to Greenwich, where we admired the Royal Observatory and the Prime Meridian. On Wednesday afternoon some of us saw either the musical The Lion King or Charlie and the

Chocolate Factory. It was a gorgeous inspiring experience. After the musical we had dinner in China Town. On Thursday we enjoyed our last complete day at Primrose Hill, later we went on to Camden Lock Market. On Friday we still had school in the morning and flew back home in the evening. In general, the whole week was great, we saw lots of new things, all our host families were nice. The weather was perfect all the time and there were no troubles whatsoever.
